

Saving for the ETF

What's that?

Together with your school or class, you can save for the ETF, for example by taking a 'collection' each week, or by setting aside some money from the school budget for the ETF.

Why?

It's great if younger children are already made aware of (theological) university courses. By introducing the ETF as a purpose for saving the children and the school can work to support a 'big school' with 'big children', creating comradeship and awareness. 'Education for Education'.

How?

1. Download the ETF logo and pin it up in the classrooms or assembly hall.
2. Send a mail with your idea and the dates of the savings campaign to info@etf.edu.
3. Explain to the children (and possibly the parents) what the ETF is and why the school/class is saving for the ETF.
4. Make your own piggy bank! This is a fun craft activity for the whole class. For inspiration, see http://www.schooltv.nl/no_cache/video/crid/20120709_spaarvarken01/.
5. Save with your class or school for the ETF.
6. You can transfer a sum regularly or once off to the following account numbers.
